

# International Week - Argentina

5A

# Argentina

For this years international week we have been tasked with finding out lots about the country of Argentina. Over the course of the week, you will be finding out about a variety of historical and cultural facts about the South American country of Argentina.

Over the next few slides you will find a number of tasks for you to complete. I will give you free choice as to which order you would like to do them in and you can present your work in any way that you like including; written work, art, video and photographic evidence.

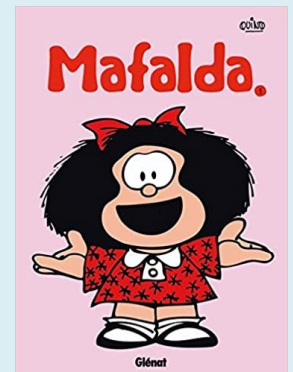

Have fun, and see what interesting things you can learn!

# Malfada Comic Strip

Can you research and create your own comic strip of 'Malfada', a famous Argentinian Comic?

Use the comic strip frame sheet to create your own Malfada Comic in the same style.

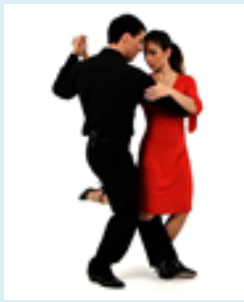

# Pope Francis

See if you can create a fact file about Pope Francis. What facts can you find out about him, are there any that you found surprising? What information can you discover about his early life, before he became Pope?
