

Question of the day:

Which letters aren't found in the Welsh alphabet?

- a) J, K, Q, V, X and Z
- b) A, B, F, R, T and U
- c) H, W and X

Research now and find out tomorrow.

Did you know: The World Record for the most water balloons popped with a single arrow is 38.

Did you know: The World Record for the largest feet (female) is 32.9cm (1 ft 0.95 in).

Reading Challenge

Today's task will be to complete one of the differentiated reading comprehensions on Victorian inventors.

English

The first session of this week will be building towards how we can compose an outstanding setting description. This will all help us build towards our narrative that we will be writing soon.

Maths – Today, you'll be looking at nets of 3D shapes. Watch the video on White Rose Maths before you start. We are on week 11 (w/c 6th July), Lesson 2.

<https://whiterosemaths.com/homelearning/year-5/>

Science

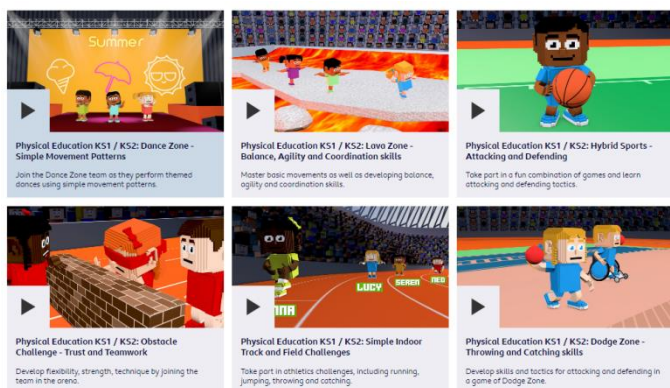

We continue our work on simple machines that make overcoming opposing forces easier by looking at pulleys. We'd like you to label where pulleys are on everyday objects and see if you can make your own. Equipment is on the accompanying sheet.

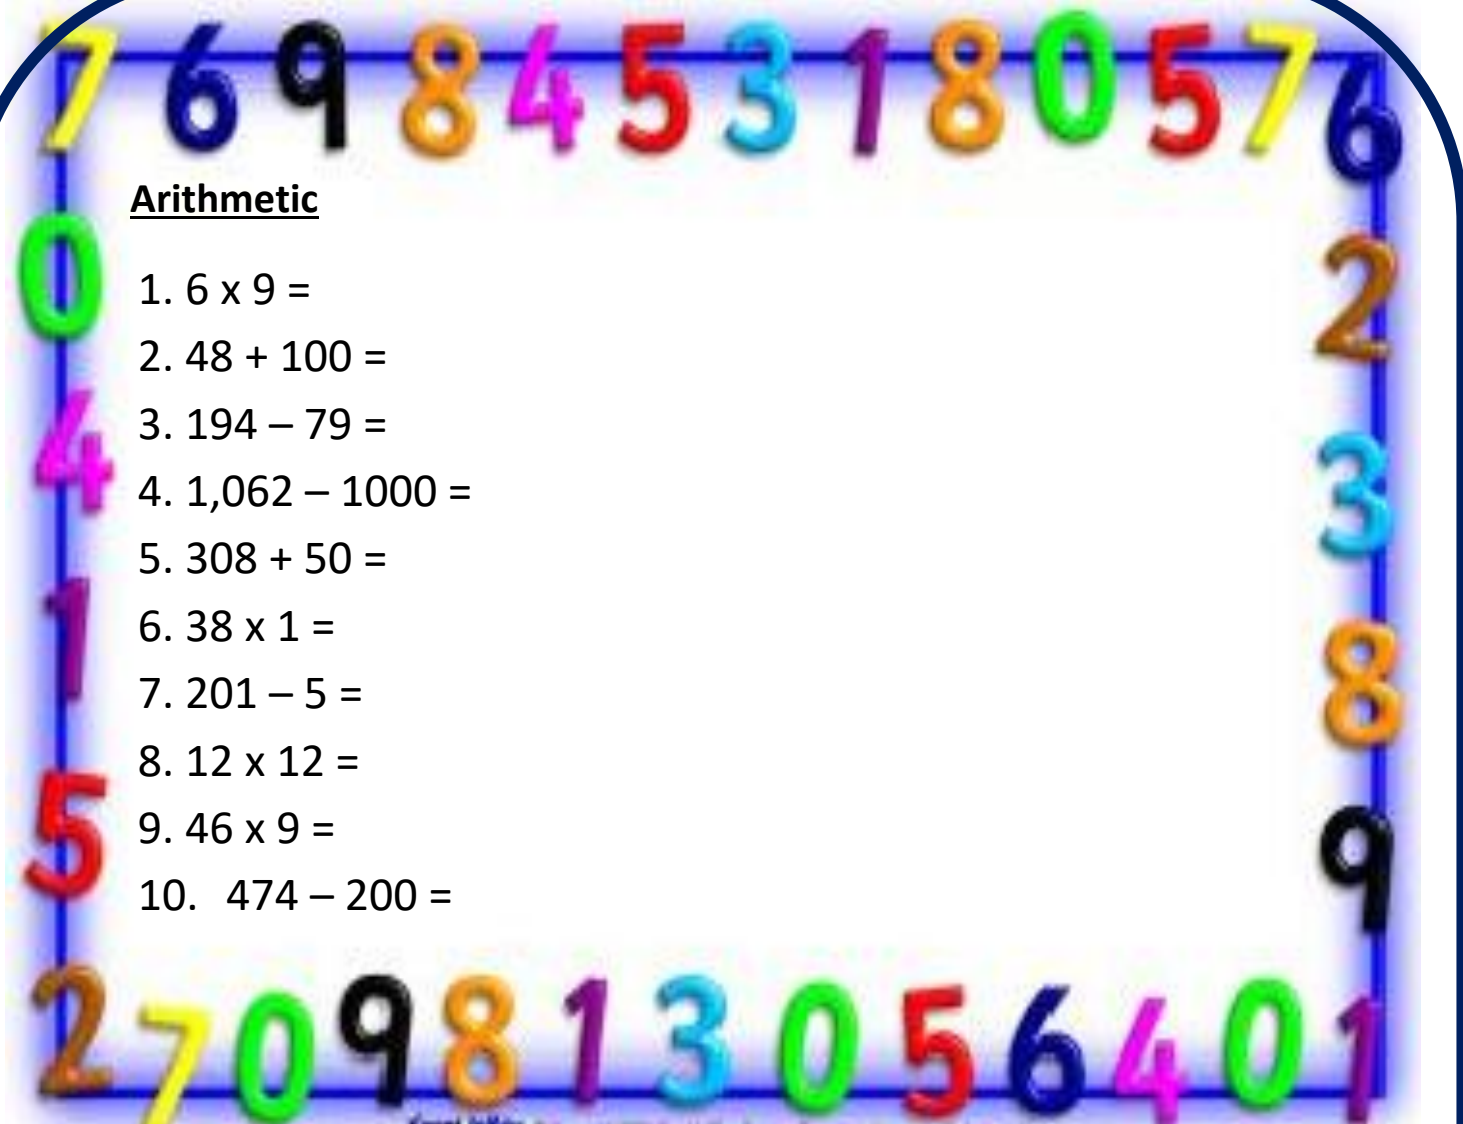

PE - Joe Wicks' YouTube PE classes.

Additional Challenge:

There are loads of great games and challenges on the BBC website.

<https://www.bbc.co.uk/teach/class-clips-video/physical-education->

A decorative border of colorful numbers (0-9) surrounds the central text. The numbers are arranged in a rectangular frame with rounded corners. The top row contains 7, 6, 9, 8, 4, 5, 3, 1, 8, 0, 5, 7, 6. The right side contains 2, 3, 8, 9. The bottom row contains 2, 7, 0, 9, 8, 1, 3, 0, 5, 6, 4, 0, 1. The left side contains 0, 4, 1, 5, 2.

Arithmetic

1. $6 \times 9 =$

2. $48 + 100 =$

3. $194 - 79 =$

4. $1,062 - 1000 =$

5. $308 + 50 =$

6. $38 \times 1 =$

7. $201 - 5 =$

8. $12 \times 12 =$

9. $46 \times 9 =$

10. $474 - 200 =$

Arithmetic Answers

1. $6 \times 9 = 54$

2. $48 + 100 = 148$

3. $194 - 79 = 115$

4. $1,062 - 1000 = 62$

5. $308 + 50 = 358$

6. $38 \times 1 = 38$

7. $201 - 5 = 196$

8. $12 \times 12 = 144$

9. $46 \times 9 = 414$

10. $474 - 200 = 274$
