

Half term and another Bank Holiday mark the passing of more time. This is usually one of the busiest times of the Church Year with the great feasts of the Ascension, Pentecost, and Corpus Christi as well as the many First Holy Communion and Confirmation services. As we attend Mass remotely over this time we remember all those whose plans have had to be abandoned because of the Coronavirus and offer our prayers with and for them.

You should have all received our letter outlining how the school will re-open to all pupils when we are given the go-ahead to do this. Please remember that, at the moment, the date of 1st June is still only "the earliest" by which school can re-open. If the government postpones this, or if the unions refuse to cooperate, this date might still move. We will confirm with you as soon as possible via text message. Please make sure we have the correct number for you. Thank you to all of you who sent in such kind messages about our plans; it really does mean a lot to us.

I forgot a couple of important points in my letter yesterday.

- 1) Uniform Children should be wearing clean clothes each day.
- 2) Punctuality The children will be going to class as a group. This will be when they are all present or at 9:00, whichever is sooner. If you are late, we will not be able to admit your child.

Work continues!

We are delighted to say that we have been successful in our bid for replacing the roof over the cloakrooms and the SENCO room; Mrs Vyas will no longer have a leaky roof! The work should take place over the summer, weather and social distancing rules permitting.

We are also delighted that the PA are able to replace the sheds in the playground over half term. This will make a huge difference to the ease of storage- and hopefully stop some of the visitors who liked to make nests in there.... We're very grateful to them for their hard work.

Inset Day 1st June

The inset day on the 1st June has been cancelled and work will be put on the website/Seesaw as normal.

ParentMail

Parents/Carers should have received an email asking you to register for our new payment package called ParentMail. Please can you set up your account promptly to enable us to test the live system and deal with any access issues. If you have not received the email please contact the office office@sacredheart.barnetmail.net as we may not have the most up to date email address for you.

Parents Association

Support Local Businesses

Don't forget that whilst we're all trying to keep safe at home, we have lots of parents and local companies who have always helped our fundraising and now need our support. So, if you don't fancy cooking this evening, Bella Mia, Sofalino's, Tootoomoo, Carpe Diem and others are all open for takeaways and have social distancing measures in place. Nature's Nest on Totteridge Lane is open, fully stocked and able to do home deliveries. A holiday may seem a distant dream but it's Jenny Igoe's job to help make dreams a reality so make sure you contact her on jenny.igoe@travelcounsellors.com if you do need her help. If your house move has been put on hold, don't forget our 2020 sponsors, Hamptons International on Whetstone High Road can now assist you (as well as our school) with your dream home and Rogers Removals are on hand, ready and willing, to take the pressure off moving all your precious things.
