

As we recover from the excitement of Open day it's straight into Sports day- or in this case, Sports Week!

Details will be posted on seesaw each day and the children in school will have socially distanced sessions on the lower playground. I think this is the year when the Maths involved is more competitive than the sports!

Thank you to all of you who have already told us whether or not your child will be attending the class meetings in the last week of term; if you haven't replied yet, the cut off date is next Tuesday (30th June). Please send your child in with a good big bag so that they can take home with them any of their work/possessions still in school.

Looking forward to next year, teachers will be allocated as follows.

FSA	Miss Hoey	FSJ	Mrs Furey/Mrs Scuderi
1A	Miss Morris	1J	Miss Utrilla
2A	Miss McGann	2J	Mrs Cahill
3A	Miss Vassiliou	3J	Mrs Bishop
4A	Mrs Durkin/Mrs Harrington	4J	Mr Platon
5A	Mr Gagen	5J	Mr Fowler
6A	Miss Byrne/Ms Giannotto	6J	Miss Loughlin

We are delighted that Miss Byrne is returning after her maternity leave; she will be in class 4 days a week. A quick warning to 5J that Mr Fowler will be on paternity leave at some point in September.... Miss Hoey will be joining us in Foundation Stage in September. Some of you may remember her from when she trained with us a few years ago. Since then she has been working at a Catholic school in inner London and we are delighted to have her back.

You'll notice that most of the teachers are not moving year groups next year. The thinking behind this is that, having experience of where children usually are in September in that year group, they will be well placed to assess any gaps in learning and put in place any extra support which is needed. The teachers will plan based on where the children are now and will work to bring them to where they need to be. This will not be overnight and may take some longer than others, but we will get there. We know that the government have promised extra funding, but we have yet

to have the precise detail of how this will be allocated and how we can spend it. Once we have these details we will put extra plans in place.

Unfortunately we have to say goodbye to some people at this time of year as well. Mr. Paratusic has been with us for three years, but is moving districts. He has been a great support to so many children - thank you, Mr Paratusic! Mr George has been with us for 2 years and has helped us make great music during that time: thank you Mr George! Mrs Patel joined us in February and has stepped up wonderfully to the challenges of online learning and Key worker supervision; thank you Mrs Patel! And Miss Byrne leaves Yr 5 and is taking up a post at a local school; congratulations and good luck to you Miss Byrne!

There are just 2 more people to tell you about: Mr Jenkins will be joining us as a music teacher and Mr Molyneux will be training under the schools direct scheme in 2J.

All of the teachers will be posting videos for their "new" classes on See Saw before the end of term to introduce themselves. Details of how to access See Saw will be sent to all Foundation Stage parents as Tapestry does not work into Yr 1.

I hope that you are all enjoying the lovely weather. Please keep sun-safe and "Covid-safe"!

## **ParentMail**

If you are having problems registering please contact [office@sacredheart.barnetmail.net](mailto:office@sacredheart.barnetmail.net) as we may not have the most up to date email address for you.

### **BAG2SCHOOL - DROP OFF**

Please don't forget that you can drop off your bagful of clothes this Sunday between 10am - 12pm. The car park gates will be open for you to drive/walk in and drop your plastic bags straight into the shed in the upper playground so it will be completely "contactless".

ITEMS WE CAN ACCEPT: good condition clothes, bags, paired shoes (tied together or with elastic band around them), hats, scarves, ties, jewellery, lingerie, socks,

belts, soft toys, household linen, household curtains, household towels and household bedding (bed sheets, pillow cases and duvet covers).

We have raised £784 so far with this initiative and really want to hit the £1000 target with this collection.

## **LOVE YOUR SCHOOL**

We are so, so pleased to announce that our "Love your school" project has been given the go ahead.

The love we want to give is mainly painting, weeding and a general tidy up of the outside areas, which we think will transform the school in time for the new year in September. We included all of your kind suggestions and now (respecting social distancing guidelines of course) it's time for us all to make it possible over the summer holidays.

We know that many of you have hidden talents and we really need you to come and help for a day or so, as many hands will make light work. If you or anyone you know is a builder, gardener or painter (or have these skills) or if you're prepared to roll up your sleeves and help, please let us know as what we really need is a large group of volunteers to make the changes happen for the benefit of our children. If you want to be part of this team of Superheroes or would like to donate some paint, lend us your pressure washer or ladder, etc. please let us know as all help is welcome! Please get in touch by emailing us on [sacredheartschoolpa@gmail.com](mailto:sacredheartschoolpa@gmail.com) or calling Claudia Centanni on 07956 589 454. Thank you so much.

## **SPONSORSHIP & DONATIONS**

It's at this time of year that we are usually nagging you to bring in bags of sweetie cones, treats and other goodies so if you do want to make a donation to our fundraising in lieu of this and in the absence of the Summer Festival, please donate on the justgiving page below. Thank you as ever for all your support.
