

Well, it wouldn't be sports day if it didn't rain, but hopefully most of you were able to do dodge the showers! We've really enjoyed seeing the videos you've been uploading showing how active the children have been. Mr Gagen deserves huge congratulations for arranging such a great event.

You'll know that the government released its guidance yesterday for how schools should be running in September. Although the headlines are good- all children back! all the time!- I'm sure you realise that there are many practicalities to work through in order for us to make sure that the school is as safe as it can be for pupils and staff. We are working out how things will look when the new year starts and will do our best to share our risk assessments and plans with you as soon as we can. It will be WONDERFUL to have everyone back and begin to feel like a "proper" school again, but we must all realise that school will be different for a while still.

As we head to the end of term, there is still more excitement to come: Miss Morris and Miss Utrilla have been planning our Art/International week for the last week of term. This was a great success last week and I know the staff and children enjoyed finding out about different countries. I enjoyed sampling all the food... Details will be posted on SeeSaw.

Parents Association

THANK YOU

On what would have been our Summer Festival weekend, the Parents Association would like to take this opportunity to thank you all for your help and support over the last year. Whilst it is sad that Sacred Heart families and friends will not be able to come together and celebrate as we have done in the past, we hope that the new school year will give us the chance to have fun and raise funds in other ways.

Your donations in lieu of the Summer Festival and kind words have been incredibly touching. Thank you again and if you haven't donated and would like to, here is our justgiving link:

BAG2SCHOOL - DROP OFF

A huge thank you to those who came on Sunday to drop off bags of clothes and soft toys. It was an amazing success and our new shed is already almost completely full! The next drop off will take place on Sunday 19th July, 10am - 12pm.

SCHOOL UNIFORM SALE

We will be holding a second hand school uniform sale at the same time as the Bag2School drop off so Sunday 19th July 2020, 10am - 12pm and have lots of stock to sell so, if you need anything for the new term, please come along. It will be a cash only event and our sellers will be wearing masks and gloves. If you have any school uniform to donate, please bring it along on the day but please label your bag "SCHOOL UNIFORM" so that it's not mixed up with the Bag2School collection.

LOVE YOUR SCHOOL

As you would have read in last week's newsletter and via Class Rep messages, we are holding a "Love your school" project. So many parents over the years have said how they would love to help tidy and brighten up the school so now is your chance. We need volunteers to commit to helping so if you want to come along to paint, weed, help with a general tidy up and get rid of rubbish that has been cluttering up the school and want to be part of this team of Superheroes or would like to donate some paint, lend us your pressure washer or ladder, etc. please contact Claudia
