

This week saw us saying goodbye to our Yr 6s. Although we were not able to finish the year with the usual Play, Leavers' Mass and Disco, we were still able to gather them in their class groups for one last hurrah! As we wave them off to their 17 (!) different schools, we reflect on the very different experience they have had of finishing Primary school. They will have developed resilience skills which 11 year olds have not needed in the past! However, we know that the journey they have been on has lasted longer than the last 3 months, and we trust that they will take with them many happy memories of past performances, trips and experiences- and possibly some learning too!

A reminder that next week is Art/International week and the work on SeeSaw will reflect the country allocated to each year group.

We look forward to seeing Years 2-5 for their short half hour sessions next week. Please bring a large bag so that you can take home all your "stuff". We will leave a box outside the school in which you can place all reading/library book for returning. We can then isolate these before replacing them in school. Please use the main entrance and maintain social distancing whilst waiting outside. We recommend that only one person collects and drops off to minimise numbers. Children should be wearing school uniform (or PE Kit)- it's only half an hour; squeeze them into it!

FS and Y1 children will finish at the normal time of 2.45pm next week. All key worker groups will continue to next Friday and finish at 3:15pm as usual.

Attending Mass at St Mary Magdalen

Fr Liddle has asked me to remind you that the church is now open for Mass. You will all be aware that this is still under strict controls, including the wearing of face masks.

If you would like to attend mass, please book in via <https://parish.rcdow.org.uk/whetstone/events/>

Arrangements for next year

We hope to be able to share with you our plans for how the school will be operating in September when all the children return. This will probably entail staggered times at the beginning and end of the day and rules about who can and can't enter the school premises.

In the meantime, we are sending out a separate letter about our own after school club. Breakfast club will be resuming please contact Non Stop Action direct on 020

8446 0006 or on their website www.nonstopaction.co.uk It is unlikely that any other clubs will be run before the October half term.

In Year Admissions September 2020

As we come to the end of the school year we ask that any families planning to leave Sacred Heart advise us by email (admin@sacredheart.barnetmail.net) as soon as possible so we can offer on the places to children on our waiting lists. Thank you.

Parents Association **LOVE YOUR SCHOOL**

We really really need Sacred Heart families and friends to come forward to volunteer for our "Love your school" project, which is being sponsored by Hamptons International. At the moment, we have 15 volunteers but we know there are many of you who over the years have expressed your willingness to come in and help on a project like this so we need you now if we want to make a difference. We will be painting, weeding, tidying and giving the outside areas a good tidy up. The more help we have, the more we can do and the greater impact it will have when the children return to school. We know holiday plans are still up in the air but if you think you will be around the weekend of the 1st/2nd August, please contact Claudia on 07956 589 454. With a good team of helpers, we can achieve a lot that weekend and not need to come back during the week. If you want to help out but that weekend/week doesn't work for you, please let Claudia know as we can work around you.
