LI: To perform our poems

Task

Today, you are going to perform your poem.

We would like you to video yourself performing your poem and post this on Seesaw today. We can not wait to watch them all!

Practice reading it to yourself first, thinking about your pace, tone, volume and perhaps any actions that you may add.

Do also show us your wonderfully decorated poems in the video so that we can see your beautiful art work.

We look forward to seeing your performances.
