LI: To design a wallpaper piece based  
on the art of William Morris.

*William Morris*

*This photograph made about the year 1877*

What can you tell me  
about William Morris?

# Look at these different William Morris designs

What do you like about it?  
What style is it? What does  
it represent or show? What  
colours are being used?

# TASK

- Pick one of William Morris' designs to use as a stimulus.
- You are going to sketch your design and colour according to the style of Morris – think about appropriate colours for the era.
- Once you have finished your design write a short paragraph to explain your design and link it to the art of Morris and the Victorian era.
