

Question of the day:

When do the World Egg-Throwing Championships date from?

- a) 1322
- b) 1522
- c) 1722

Yesterday's answer was (b) You can fly a hot air balloon underground at Gaping Gill.

Did you know: As of 13 June 2020, the oldest known living person is Kane Tanaka of Japan, aged 117 years, 163 days.

Did you know: The oldest known living man is Dumitru Comănescu, of Romania, aged 111 years, 218 days.

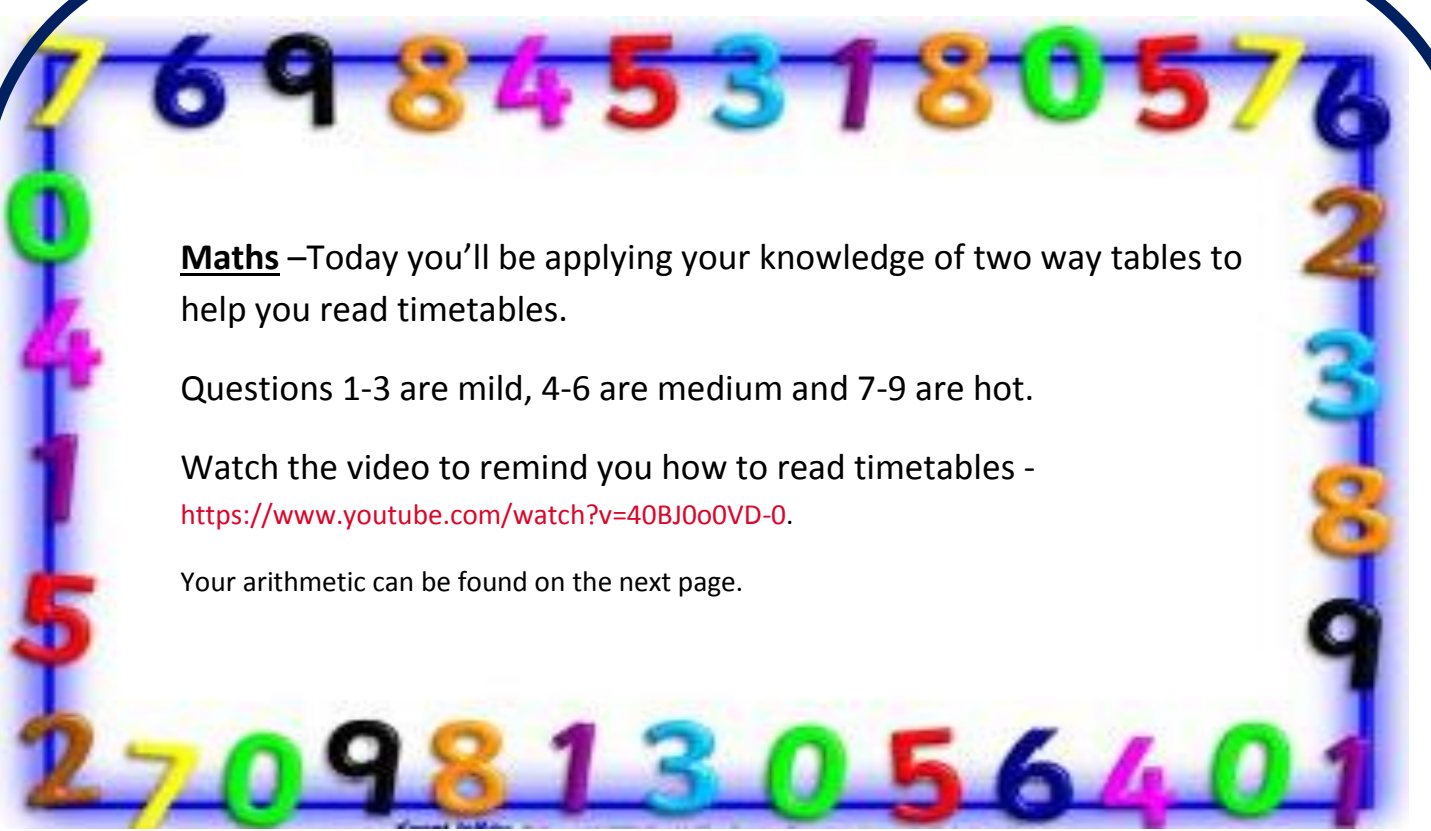

English SPaG

To assist with your main English task today, complete one of the differentiated tasks on the use of relative clauses.

English Writing

Today's task will be to focus on how we can use relative clause in our writing to improve the content and range of description during a character description.

<https://classroom.thenational.academy/lessons/character-description-spag-focus-relative-clause>

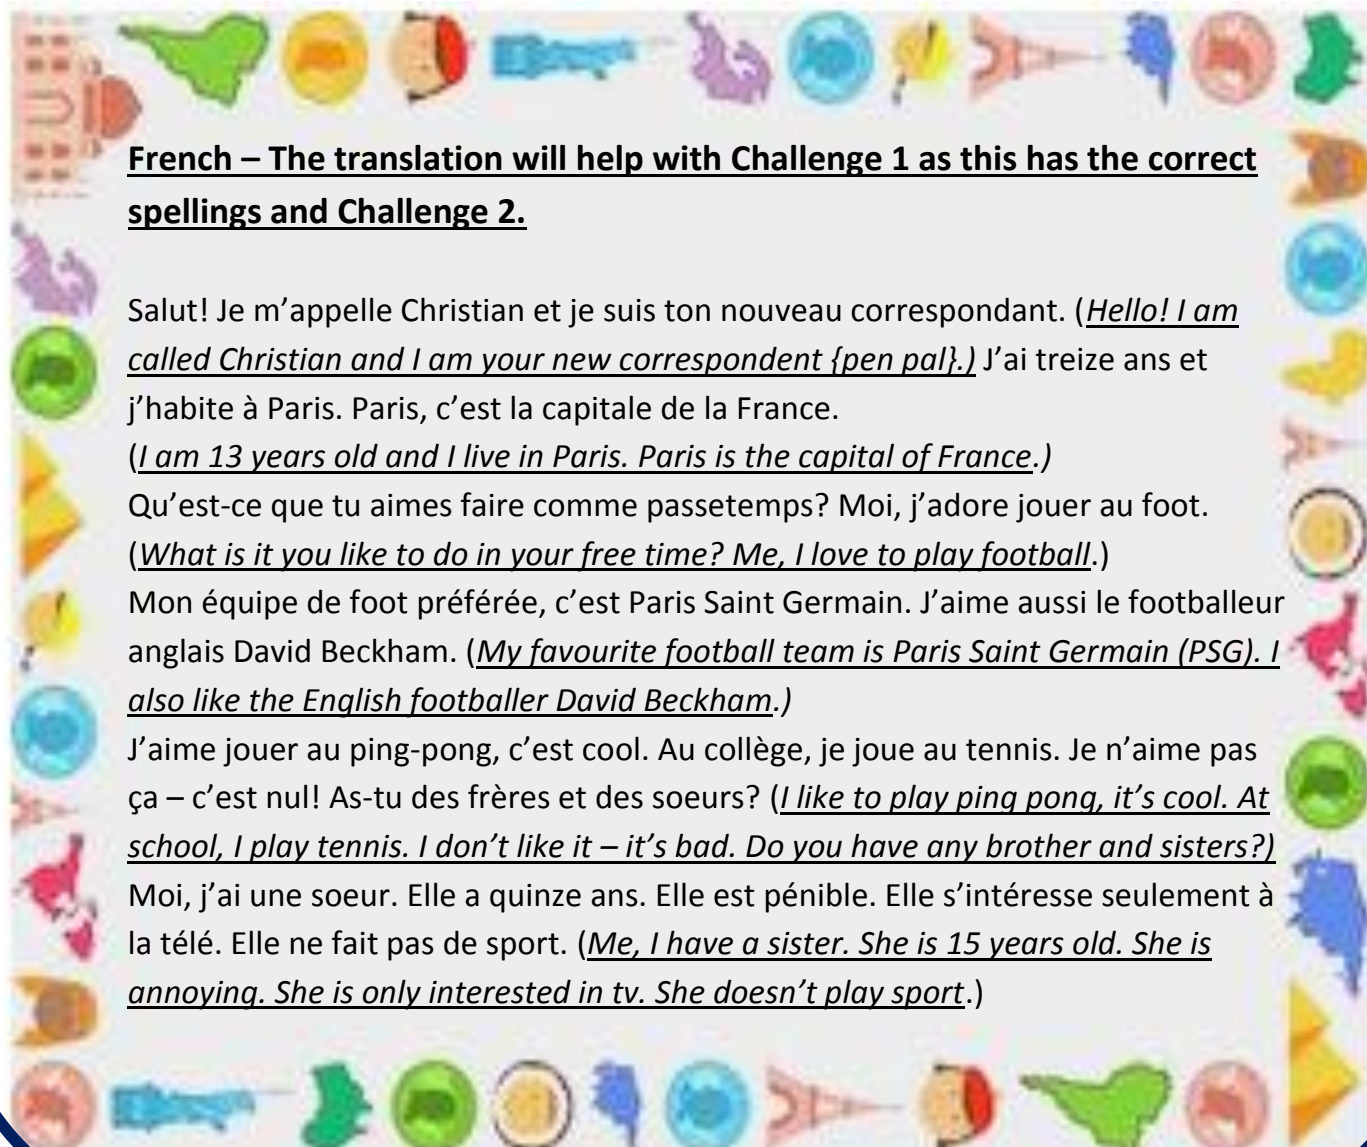

Maths –Today you'll be applying your knowledge of two way tables to help you read timetables.

Questions 1-3 are mild, 4-6 are medium and 7-9 are hot.

Watch the video to remind you how to read timetables -

<https://www.youtube.com/watch?v=40BJ0o0VD-0>.

Your arithmetic can be found on the next page.

French – The translation will help with Challenge 1 as this has the correct spellings and Challenge 2.

Salut! Je m'appelle Christian et je suis ton nouveau correspondant. (Hello! I am called Christian and I am your new correspondent {pen pal}.) J'ai treize ans et j'habite à Paris. Paris, c'est la capitale de la France.

(I am 13 years old and I live in Paris. Paris is the capital of France.)

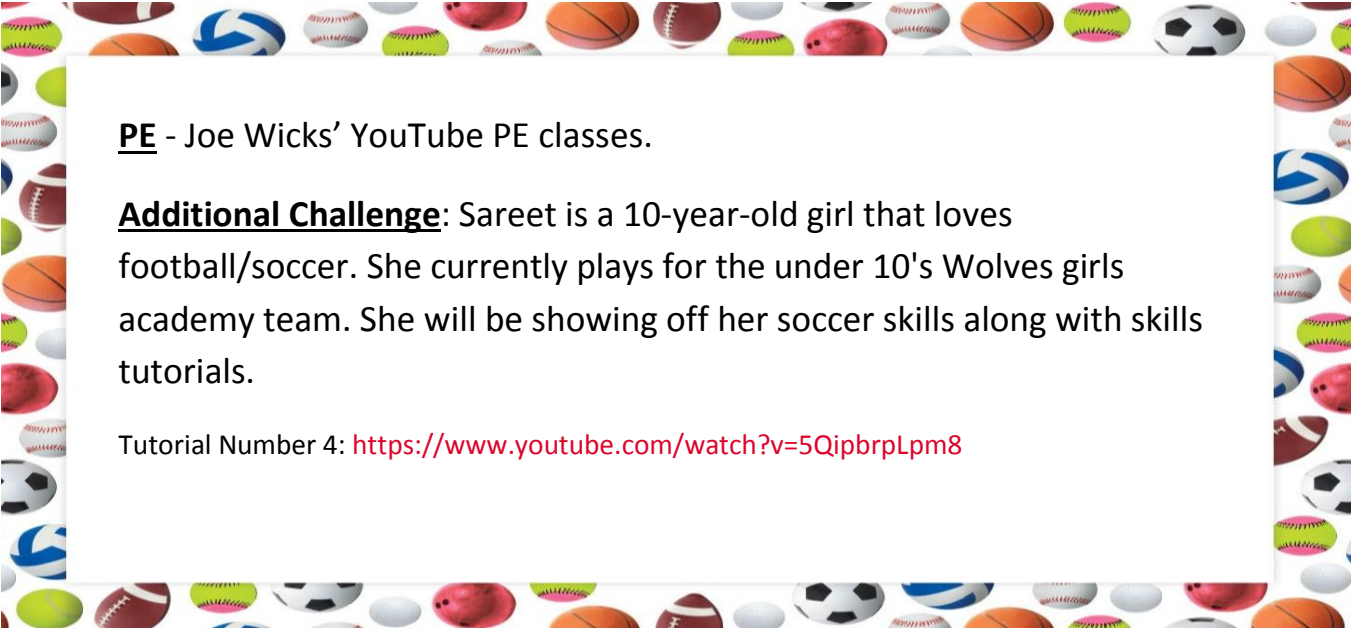

Qu'est-ce que tu aimes faire comme passetemps? Moi, j'adore jouer au foot.

(What is it you like to do in your free time? Me, I love to play football.)

Mon équipe de foot préférée, c'est Paris Saint Germain. J'aime aussi le footballeur anglais David Beckham. (My favourite football team is Paris Saint Germain (PSG). I also like the English footballer David Beckham.)

J'aime jouer au ping-pong, c'est cool. Au collège, je joue au tennis. Je n'aime pas ça – c'est nul! As-tu des frères et des soeurs? (I like to play ping pong, it's cool. At school, I play tennis. I don't like it – it's bad. Do you have any brother and sisters?)

Moi, j'ai une soeur. Elle a quinze ans. Elle est pénible. Elle s'intéresse seulement à la télé. Elle ne fait pas de sport. (Me, I have a sister. She is 15 years old. She is annoying. She is only interested in tv. She doesn't play sport.)

PE - Joe Wicks' YouTube PE classes.

Additional Challenge: Sareet is a 10-year-old girl that loves football/soccer. She currently plays for the under 10's Wolves girls academy team. She will be showing off her soccer skills along with skills tutorials.

Tutorial Number 4: <https://www.youtube.com/watch?v=5QipbrpLpm8>

Maths Arithmetic

1. $42 \times 0 =$
2. $439 - 400 =$
3. $5,639 + 4,951 =$
4. $7 \times 12 =$
5. $3/9 + 6.9 =$
6. $694 - 4 =$
7. $30 + 693 =$
8. $8.2 \times 10 =$
9. $18,148 + 21,561 =$
10. $8^2 =$

Maths Arithmetic

1. $42 \times 0 = 0$

2. $439 - 400 = 39$

3. $5,639 + 4,951 = 10,590$

4. $7 \times 12 = 84$

5. $3/9 + 6.9 = 1$

6. $694 - 4 = 690$

7. $30 + 693 = 723$

8. $8.2 \times 10 = 82$

9. $18,148 + 21,561 = 39,709$

10. $8^2 = 64$
