

**Question of the day:**

Where in the UK can you fly a hot air balloon underground?

- a) Cavernous Canyon
- b) Gaping Gill
- c) Yawning Pit

Yesterday's answer was (c) Oxford is the UK city with the most published authors

Did you know: The World Record for the largest gathering of people dressed as dinosaurs is 252.

Did you know: The World Record for the most glasses stacked on top of each other using a forklift truck is 16.

**English SPaG**

Your SPaG task for today is to complete one of the differentiated worksheets on hyphens and where they should be used.

**English Writing**

Today, you will be looking at the features of a good character description. These skills and features will be really important for when we move away from looking at the Oak Academy and start to write our own narrative in the coming weeks.

<https://classroom.thenational.academy/lessons/character-description-identifying-the-features-of-a-text>

## Maths

Today you'll be continuing your work on two tables.

Questions 1-3 on the sheet are mild, 4-6 are medium and 7-9 are hot.

Your arithmetic can be found on the next page.

## Geography

Follow the links below, watch the videos and complete the quizzes.

**You do not need to submit anything on Seesaw for this task.**

<https://www.bbc.co.uk/bitesize/topics/zshp34j/articles/zntxgwx>

## Sustainability >

Sustainability and plastics

Fossil fuels and renewable energy

## PE - Joe Wicks' YouTube

**Additional Challenge:** Sareet is a 10-year-old girl that loves football/soccer. She currently plays for the under 10's Wolves girls academy team. She will be showing off her soccer skills along with skills tutorials.

Tutorial Number 3: <https://www.youtube.com/watch?v=uMPrngIT5LY>

Maths Arithmetic

1.  $5,000 \div 100 =$

2.  $41,384 + 38,252 =$

3.  $134 \times 6 =$

4.  $458 - 100 =$

5.  $28,962 + 60,143 =$

6.  $196 - 80 =$

7.  $7,167 - 1000 =$

8.  $489 + 9 =$

9.  $99 \div 9 =$

10.  $2/12 + 4/12 =$

Maths Arithmetic Answers

1.  $5,000 \div 100 = 10=50$
2.  $41,384 + 38,252 = 79,636$
3.  $134 \times 6 = 804$
4.  $458 - 100 = 358$
5.  $28,962 + 60,143 = 89,105$
6.  $196 - 80 = 116$
7.  $7,167 - 1000 = 6,167$
8.  $489 + 9 = 498$
9.  $99 \div 9 = 11$
10.  $2/12 + 4/12 = 6/12$  or  $\frac{1}{2}$
