

Question of the day:

The Titanic sank in the 1932.
True or False

Yesterday's answer was False. The 2016 Olympics was hosted by Rio de Janeiro

Did you know: The oldest known musical instrument is an ancient bone flute, estimated to be about 43,000—82,000 years old.

Did you know: The heaviest aircraft pulled by a team of people in wheelchairs is 127.6 tonnes.

English SPaG

Today your task is to complete one of the differentiated grammar tasks on adverbs of possibility. This may well help you with your writing task this week too.

English

Following on from yesterday's introduction and first paragraph, you will today write the next paragraph of your balanced argument. Don't forget to use phrases and sentence starters associated with balanced arguments that will help you to discuss your reasons.

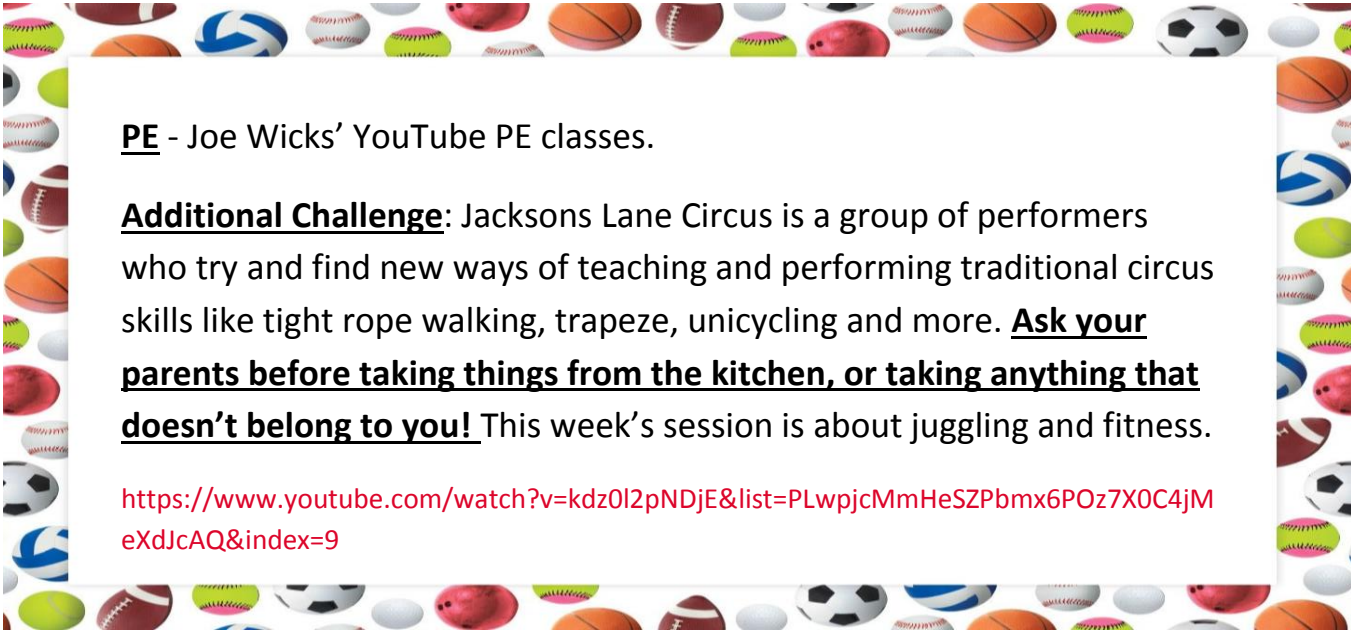

Maths – Multiplying decimals

Watch the video before completing the sheet. It can be found under W/C 22nd June – Lesson 3:

Arithmetic

1. $48 \times 100 =$
2. $36 \times 6 =$
3. $46,805 + 22,053 =$
4. $38 \times 10 =$
5. $372 + 10 =$
6. $186 - 6 =$
7. $261 + 20 =$
8. $520 - 300 =$
9. $3,678 + 1000 =$
10. $628 - 273 =$

PE - Joe Wicks' YouTube PE classes.

Additional Challenge: Jacksons Lane Circus is a group of performers who try and find new ways of teaching and performing traditional circus skills like tight rope walking, trapeze, unicycling and more. **Ask your parents before taking things from the kitchen, or taking anything that doesn't belong to you!** This week's session is about juggling and fitness.
