

REFRACTION OBSERVATION SHEETS

INCREDIBLE IMAGES

Record what happened when the water was slowly poured into the cup and when the saucer was placed on top.

Draw pictures or diagrams to help.

Write down any extra notes or comments about what you think might be happening and explain why.

THE SURPRISING COIN

Record what happened when the water was slowly poured into the cup.

Draw pictures or diagrams to help.

OIL, WATER AND A PENCIL

Draw a picture of what the pencil looked like when it was completely upright in the jar.

Draw a picture of what the pencil looked like when it was tilting to one side in the jar.

Write down any extra notes or comments about what you think might be happening.

AMAZING ARROWS

Record what happened when you move the card with the arrows on it behind the jar.

Draw pictures or diagrams to help.
