

COVID-19: Operational Risk Assessment for full School Reopening in Sept 2020

SCHOOL NAME: Sacred Heart

Member of Staff and Job Title:	Date of Assessment:	Date of Review:	Covered by this assessment:
Catherine McMahon Head	19/5/2020	1/6/2020 7/7/2020	Staff, pupils, parents, visitors, volunteers, contractors

Purpose of this document:

This COVID19: Risk Assessment and Action Plan document sets out the decisions taken and measures put in place to prepare for the fulfil re-opening of the school and ensure the school continues to operate in a safe way. This risk assessment should be undertaken in conjunction with the guidance on school reopening issued by the Department for Education: <https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools>

Suggested Steps of Re-opening Preparation:

Risk matrix

Impact risk rating:	Probability risk rating:	Overall risk rating:
5. Catastrophic	5. Almost certain to happen	16 or more - red
4. Major – e.g. likely to result in school closure	4. Likely	12 to 15 - amber
3. Moderate – e.g. likely to result in one or more classes having to close	3. Possible	9 to 11 – amber
2. Minor	2. Unlikely	Below 9 – green
1. Negligible	1. Negligible	Below 9 – green

Specific Concern/ Risk	Impact score (a)	Probability score (b)	Current Risk Rating (a) x (b)	Control Measures	In Place (Y/N)	Implications for opening the school and further action proposed	Risk rating following controls (1-25)
A. Staffing Resources							
1. Risk that there are insufficient staff to support all the pupils to be in school	3	3	9	<ul style="list-style-type: none"> Audit staff availability 	y	Staff continue to update	7
				<ul style="list-style-type: none"> Establish how many and which staff will be available, through RAG rating (extremely critically vulnerable staff/those fit for work). Carry out individual Staff Risk Assessments where appropriate (see guidance distributed previously) 	y	Revise current individual RA	
				<ul style="list-style-type: none"> Based on available staffing and any cover you are able to secure, decide how many pupils and how many classes can be supported at any one time. Organise home learning (education off site) for pupils when not on the premises. 	y	Maintain home learning site for homework so that parents are familiar with it if we need to use it for remote learning	
				<ul style="list-style-type: none"> Ensure flexible and responsive use of teaching assistants 	y	Allocated as per timetable across larger bubbles	
				<ul style="list-style-type: none"> Ensure there are sufficient support staff available to support those pupils who need a high level of support, including those with SEND whilst minimising changes in contact. Some pupils, for example those with Autism will need to be supported by the same adults, where possible 	y	All 1-1 TAs to return in addition to other staff	
				<ul style="list-style-type: none"> Full use is made of test and trace to inform staff deployment i.e. ensure staff are able to attend work and should not be self-isolating due to test and trace 	y	Make sure all are aware of how to access testing	
				<ul style="list-style-type: none"> Ensure there is adequate delegation of roles to staff to 	y	Planning up to date in	

				deliver on site learning (for those attending school) and home learning (for those who are learning at home)		order to ensure SLT can take over setting work if needed	
2. Risk that the number of staff who are available is lower than that required to teach classes in school and operate effective home learning.	3	3	9	<ul style="list-style-type: none"> The health status and availability of every member of staff is known and is regularly updated so that deployment can be planned. 	y	Staff asked to update any sickness even when working from home	8
				<ul style="list-style-type: none"> Full use is made of all qualified teachers. 	y	Already in place	
				<ul style="list-style-type: none"> Flexible and responsive use of teaching assistants and pastoral staff to supervise classes is in place. 	y	Support staff not timetabled to cover classes, but are available in emergencies	
				<ul style="list-style-type: none"> Full use is made of test and trace to inform staff deployment i.e. ensure staff are able to attend work and should not be self-isolating due to test and trace 	y	Details shared with all staff	
				<ul style="list-style-type: none"> A clear rationale is in place for which pupils will be in school and at home each day and a blended model of home learning and attendance at school is utilised until staffing levels improve. 	y	Planning time built into timetable	
				<ul style="list-style-type: none"> Where possible, ensure pupils with SEND are prioritised to be in school, -. 	y		
3. Risk of infection from use of supply teachers, temporary teachers, peripatetic teachers and deployment of ITT trainees.	3	3	9	<ul style="list-style-type: none"> Where possible, minimise the number of different supply teachers visiting the school through longer contracts with agencies. 	y	Only planned use for paternity cover. Possibly for any long term absences. Otherwise internal cover where possible	7
				<ul style="list-style-type: none"> Ensure visiting staff are aware of and adhere to distancing and hygiene measure and minimise contact to only pupils who need to be taught. 	y	Guidelines given to all visiting staff	
				<ul style="list-style-type: none"> Carry out individual risk assessments for all visiting teachers and ITT trainees and ensure these are shared with the visitor. 	y	Completed in advance where visit is expected	
				<ul style="list-style-type: none"> Negotiate the deployment of ITT trainees with their provider to ensure that their training needs are met but contact and distance requirements are adhered to. 	y	Schools direct student in school all year	

4. Risk of infection of extremely clinically vulnerable members of the household of a member of staff.	4	3	12	<ul style="list-style-type: none"> Individual risk assessment carried out with staff member to put measures in place to prioritise reduction of contacts and maximising distance from others, as far as is reasonably possible 	y	Measure to be discussed and updated regularly	9
5. Risk of not covering essential functions (first-aid, DSL, SENCo).	3	2	6	<ul style="list-style-type: none"> Provide cover for the role from within available staffing 	y	3 trained DSL, capacity in SLT	6
				<ul style="list-style-type: none"> Or remote support via another school, Academy Trust or the LA 	y	Additional support form LA	
				<ul style="list-style-type: none"> Ensure First Aid certificates are up to date (previously extended for 3 months) 	y	Retraining set for September onwards	
				<ul style="list-style-type: none"> Follow Covid19 first-First responders guidance and Public Health guidance on use of PPE when administering emergency first aid as maximising social distancing may not be possible to maintain while attending to individuals. 	y	Instructions in welfare room	
				<ul style="list-style-type: none"> Programme of training for additional staff in place (e.g. Safeguarding) 	y	Updates at start of new term	
66. Risks to health and safety because staff are not trained in new procedures.	3	3	9	<ul style="list-style-type: none"> A revised staff handbook is issued to all staff prior to reopening. 	y	In September	8
				<ul style="list-style-type: none"> Induction and CPD programmes are in operation for all staff prior to reopening (inc. breakfast club and after school activities),, and include: <ul style="list-style-type: none"> o Infection control o Fire safety and evacuation procedures o Constructive behaviour management o Safeguarding o Risk management 	y	Reviewed, revised and shared	
77. Risk that staff who are extremely critically vulnerable are not identified and so measures have not been put in place to protect them.	4	3	12	<ul style="list-style-type: none"> Any individual of staff that are clinically extremely vulnerable must continue to self-isolate and remain at home. Staff who are clinically vulnerable should continue to work from home. Where a clinically vulnerable member of staff cannot work from home and are essential to the running of the service, a risk assessment and suitable controls must be in place before they return to the workplace. The controls must enable the ability to reduce the number of different contacts and keep a safe 	y	Agreed with individual staff	10

				social distance, and they must not be employed in any role where high-risk activities may be carried out, for example personal care. In those circumstance the workplace would not be suitable for their return			
				<ul style="list-style-type: none"> All members of staff with underlying health issues and those within vulnerable groups or who are shielding have been instructed to make their condition or circumstances known to the school if it could put them at risk. Staff are made aware that they have a duty to inform the school if their health circumstances change which puts them at risk. Records are kept of this and regularly updated 	y	Ongoing discussions with staff	
				<ul style="list-style-type: none"> Members of staff who are classed as clinically vulnerable and clinically extremely vulnerable have been asked to seek and act on the advice of their GP/consultant/midwife or current government advice 	y	Ongoing discussions with staff	
				<ul style="list-style-type: none"> Staff are clear about the definitions and associated mitigating strategies in relation to people who are classed as clinically vulnerable and clinically extremely vulnerable 	y	Ongoing discussions with staff	
				<ul style="list-style-type: none"> All staff with underlying health conditions that put them at increased risk from COVID-19 are working from home in line with national guidance. 	y	Staff choosing to come in have additional protection if required	
				<ul style="list-style-type: none"> Current government guidance is being applied. 	y		

B. Teaching Spaces, the Learning and School Environment

8. Risk of transmission within the school building (this includes breakfast club and after school activities)	3	4	12	<ul style="list-style-type: none"> Audit accommodation and the full range of curriculum needs in order to establish if class groups (30 children) are a feasible bubble size or if year group sized bubbles will need to be implemented 	y	Children will remain in class and year group bubbles. For use of loos, cloakrooms and dining rooms, KS1, LKS2, UKS2 bubbles	10
				<ul style="list-style-type: none"> Take account of the unique needs of individual pupils, including those with SEN and the youngest children in the school. Pupils who have complex needs or who need close contact care: Their educational and care support should be provided as normal. 	y	Suitable support provided	

			<ul style="list-style-type: none"> Reducing the amount of face to face interactions by arranging desks front facing, where age appropriate. 	y	But needs to be stored somewhere	
			<ul style="list-style-type: none"> Protocols around reduction of contacts and maximising distance shared with pupils. These should be carefully demonstrated for pupils with SEN, checking that the pupil has understood reduction of contacts and maximising distance. Where a pupil does not understand maximising distance or for those who need close contact care, education and care support should be provided as normal. 	y	To be covered as soon as the pupils return and sent home beforehand	
			<ul style="list-style-type: none"> Clear signage displayed in classrooms promoting reduction of contacts and maximising distance 	y	Posters in all classes	
			<ul style="list-style-type: none"> Children stay with their own teacher/teaching assistant and where possible do not mix with other children ('bubble' model). This is particularly the case for pupils with SEN and younger children who are unable to adhere to reduction of contacts and maximising distance 	y	Set out in timetables	
			<ul style="list-style-type: none"> Where younger children are unable to reduce contact and maximise distance adults should avoid close face to face contact and minimise time spent within 1 metre of anyone. 	y	Set out in guidance for staff	
			<ul style="list-style-type: none"> For breakfast and after school clubs schools should carefully consider how they can make such provision work alongside their wider protective measures, including keeping children within their year groups or bubbles where possible. If it is not possible to maintain the bubbles being used during the school day then schools should use small, consistent groups Schools should consult the guidance produced for summer holiday childcare, available at Protective measures for out-of-school settings during the coronavirus (COVID-19) outbreak as much of this will be useful in planning extra-curricular provision. This includes schools advising parents to limit the number of different wraparound providers they access, as far as possible. Where parents use childcare providers or out of school activities for their children, schools should encourage them to seek assurance that the providers are carefully considering their own protective measures, and only use those providers that can demonstrate this. As with physical activity during the school day, contact sports should not take place. 			

99. Risk of transmission in large spaces used as classrooms/ teaching spaces	3	3	9	<ul style="list-style-type: none"> Limits are set for large spaces e.g. dining hall, school hall, sports hall to facilitate the reduction of contacts and maximise distance, minimising face to face contact 	y	Clear timetable for dining hall. Indoor activities in hall only when wet outside No assemblies	8
				<ul style="list-style-type: none"> Large gatherings of more than one bubble should be avoided 	y		
				<ul style="list-style-type: none"> Timetable design and layout arrangements in place to allow for the reduction of contacts and maximising distance whilst also keeping groups/bubbles apart. 	y		
1010. Risks of transmission during use of the outdoor learning environment for young children	3	3	9	<ul style="list-style-type: none"> Leadership are realistic about the difficulties of reducing contacts and maximising distance for young children in outside spaces 	y	Leadership and staff are very aware of this	9
				<ul style="list-style-type: none"> Arrangements for handwashing, hand sanitiser, tissues, bins with lids, are in place outside 	y	Access to outside toilets	
				<ul style="list-style-type: none"> Close down drinking fountains and make arrangements for individual water bottles for children 	y	All children will need to bring drinking water bottles	
				<ul style="list-style-type: none"> Large climbing equipment will be difficult to clean and might need to be shut down in the current circumstances if shared between bubbles. 	y	Closed off	
				<ul style="list-style-type: none"> Consider filtering out hard to clean small apparatus and keeping easier to clean options such as plastic balls rather than felt or foam 	y	Each year group has own equipment	
				<ul style="list-style-type: none"> Games and activities which allow children's heart rate to raise and avoid the sharing of equipment are available 	y	Using washable equipment where possible- e.g. hoops	
				<ul style="list-style-type: none"> Outside spaces are divided and demarked for class groups of children to use to facilitate children staying in their groups. Where this is not possible year groups may form a larger bubble. 	y	As more year groups stay	
<ul style="list-style-type: none"> Where outside space must be shared arrangements for cleaning between 	y	But should not					

				bubbles are in place		be necessary	
				<ul style="list-style-type: none"> Resources are limited to facilitate effective cleaning daily 	y		
				<ul style="list-style-type: none"> Bike and wheeled toy play: dependent on numbers – either name labels or label bikes, scooter etc. for individual children to use, with their names or arrange for bikes to be wiped down by an adult, between use by the children 	y	Will depend on numbers in.	
				<ul style="list-style-type: none"> Consider the removal or covering of areas which are difficult to clean such as malleable materials and planting areas. Consider replacing with individual resources which can be replaced when each child has finished using them 	y		
11. Risk of staff having to move between groups	4	3	12	<ul style="list-style-type: none"> Where staff have to move between bubbles to deliver the school timetable they should try to reduce contacts and maximise distance, keeping an ideal distance of 2 metres from pupils and staff where possible. 	y	Individual RA for these staff	9
1212. Risks of transmission due to movement around the school.	4	3	12	<ul style="list-style-type: none"> Arrange for corridors to be one-way where possible 	y	Clearly marked	8
				<ul style="list-style-type: none"> Clear signage and markers for the youngest children 	y		
				<ul style="list-style-type: none"> Corridors are divided where feasible 	y	Not feasible-one-way system	
				<ul style="list-style-type: none"> Pinch points and bottle necks are identified and managed, movement of groups is staggered if possible 	y	Staggered times should help this	
				<ul style="list-style-type: none"> Movement of pupils and staff around the school is minimised 	y	Children stay in classrooms unless going outside	
				<ul style="list-style-type: none"> Pupils are reminded regularly of protocols for reduction of contacts and maximising distance 	y	Each time they move around the school	
1313. Risk of transmission due to number of people near entrances and	4	3	12	<ul style="list-style-type: none"> Start and departure times are staggered where possible 	y	And different entrances	12
				<ul style="list-style-type: none"> Procedures in place to hold children to reduce family waiting time due to staggering and increase turnover of parking spaces 	y		

exits at the start and end of the school day.				<ul style="list-style-type: none"> Stagger time for SEN Transport drop offs and pick ups 	n/a		
				<ul style="list-style-type: none"> Number of entrances and exits used is maximised where appropriate measures in place, in consultation with the council's Highways Department 	y	2 entrances; not using the one next to the bus stop	
				<ul style="list-style-type: none"> Determine a queuing system and a process for staff to greet each child, ensure they wash their hands immediately on arrival, and then go straight to their classroom 	y		
				<ul style="list-style-type: none"> Unless essential, do not allow parent/carers to enter the buildings to drop off or collect children. If parents do need to enter the building ensure they have an understanding of the procedures in order to keep everyone safe. Do not allow gathering at the school gates to talk to other parents. 	y		
				<ul style="list-style-type: none"> Consider special arrangements for settling children who are new to the school to enable the reduction of contacts and maximising of distance from parents where possible 	Y	New children start at front door	
				<ul style="list-style-type: none"> Identify drop off and pick up waiting areas that can reduce contacts and maximise distance 	y	Distances marked out	
				<ul style="list-style-type: none"> Extend gate/entrance opening times to prevent queuing 	y	Staggered entry times	
				<ul style="list-style-type: none"> Staff, pupils and parents are briefed and signage provided to identify entrances, exits and circulation routes 	y	Details sent out before children return	
				<ul style="list-style-type: none"> A plan is in place for managing the movement of people on arrival to avoid groups of people congregating 	y		
				<ul style="list-style-type: none"> Floor markings visible to all to avoid queuing 	y		
				<ul style="list-style-type: none"> Parents given advice on walking/cycling to school, avoiding public transport and minimising driving 	y		
				<ul style="list-style-type: none"> Advice given on suitability of pupils scooting/cycling on the pavement and availability of storage 	y		
				<ul style="list-style-type: none"> Liaise with the council's Highways department over the possibility of traffic lanes being reduced close to the school to allow more pedestrian space 	n/a		
1414. Increased risk of slips, trips and falls and collisions	3	2	6	<ul style="list-style-type: none"> Advice to pupils and families on maintaining road safety procedures despite changes. 	y		6
				<ul style="list-style-type: none"> For those that have to drive, advice on places they should and should not 	y		

between vehicles and pedestrians due to unfamiliarity with changes to layout measures and procedures and the need for social distancing.				pick up, drop off and park.			
				<ul style="list-style-type: none"> • Arrangements for kiss and drop, if deemed appropriate, in consultation with Highways, promoted to staff, children and families. 	n/a		
				<ul style="list-style-type: none"> • Suitability of operation of School Crossing Patrol site considered in consultation with Highways and, if deemed suitable, temporary measures/procedures implemented. 	n/a		
				<ul style="list-style-type: none"> • Liaise with Highways re: markings outside of the school on pavements and on key routes to school- pinch points, crossing points etc. 	n/a		
				<ul style="list-style-type: none"> • Liaise with Highways if widened pavements, suspension of parking bays, changes to school keep clear markings and signage /enforcement are required. 	n/a/		
1515. Risk of transmission because pupils do not observe agreed protocols of the reduction of contacts and maximising distance at playtimes	3	3	9	<ul style="list-style-type: none"> • Break and lunch times are staggered 	y	New timetable	9
				<ul style="list-style-type: none"> • External areas are designated for different groups 	y	Playgrounds demarcated	
				<ul style="list-style-type: none"> • Pupils are reminded about the protocols of reduction of contacts and maximising distance before every break time 	y		
				<ul style="list-style-type: none"> • Supervision levels have been enhanced to support all pupils, including those pupils needing a high level of adult support. 	y	See timetables	
1616. Risk of transmission because pupils do not observe agreed protocols of reduction of contacts and maximising distance at lunchtimes	3	3	9	<ul style="list-style-type: none"> • Pupils are reminded about the protocols of the reduction of contacts and maximising distance before every lunchtime 	y		8
				<ul style="list-style-type: none"> • Pupils wash their hands before and after eating and on leaving and returning to the classrooms after outdoor play, break and lunch times or any activity away from their designated learning area. 	y	GM to check supplies daily	
				<ul style="list-style-type: none"> • Dining room areas and other spaces are configured to ensure the reduction of contacts and maximising distance measures are in place when the children eat. Where possible children will be front facing and facing the same direction i.e. not face to face. 	y	New timings in place for lunch with staggered breaks	
				<ul style="list-style-type: none"> • Floor markings are clear to avoid queues 	y		
				<ul style="list-style-type: none"> • Other arrangements may be in place e.g. delivering packed lunches/grab bags to classrooms, pupils eating own packed lunches in classroom, pupils eating in outdoor spaces 	n/a	We will go back to this if necessary	
				<ul style="list-style-type: none"> • If children bring in own packed lunch, parents are given very clear guidance and protocols and children do not 'share' food 	y	Reinforced before	

						children return	
				<ul style="list-style-type: none"> Eating areas are thoroughly cleaned after lunchtime 	y		
1717. Staff rooms and offices do not allow for observation of reduction of contacts and maximising distance guidelines	4	3	12	<ul style="list-style-type: none"> Staff rooms and offices have been reviewed and appropriate configurations of furniture and workstations have been put in place to allow for the reduction of contacts and maximising distance 	y	Staggered breaks will make a difference. One way system in place Timetable for staff room use	8
				<ul style="list-style-type: none"> Staff have been briefed on the use of these rooms 	y	September briefing	
1818. The configuration of medical rooms may compromise reduction of contacts and maximising distance measures	3	4	12	<ul style="list-style-type: none"> Reduction of contacts and maximising distance provisions are in place for medical rooms 	n	Not possible in the medical room. More PPE in this room	12
				<ul style="list-style-type: none"> Additional rooms are designated for pupils with suspect COVID-19 whilst collection is arranged 	y	Will have to be Head's office	
				<ul style="list-style-type: none"> PPE available if staff dealing with pupil with symptoms 	y	Gloves, aprons and masks in welfare room	
				<ul style="list-style-type: none"> Procedures are in place for medical rooms to be cleaned after suspected cases, along with other affected areas 	y		
1919. Groups of people gather in reception areas which may contravene reduction of contacts and maximising distance guidelines	3	2	6	<ul style="list-style-type: none"> Parents are made aware of new school procedures prior to their children starting back at school and to those families whose children are new to the school. 	y	No access to the school for parents	6
				<ul style="list-style-type: none"> The maximising distance floor markings are clearly in place 	y		
				<ul style="list-style-type: none"> Reduction of contacts and maximising distance protocols and guidance are clearly displayed to protect those staff on reception duty 	y		
				<ul style="list-style-type: none"> Non-essential visitors to school and deliveries are minimised 	y		

				<ul style="list-style-type: none"> • Arrangements are in place for visitors to stay apart 	y	No assemblies	
C. Hygiene and protective controls							
2020. Risk that reducing contacts and maximising distancing between those in school is difficult or impossible to maintain, leading to a risk of transmission.	3	4	12	<ul style="list-style-type: none"> • Ensure frequent hand cleaning and good respiratory hygiene practices • Regular cleaning • Minimise contact and mixing (see above) • See sections above re start and end of day arrangements, playtimes and break times 	y		10
2121. Risk of staff or children with the virus coming into school with symptoms or when symptoms are not clear.	4	3	12	<ul style="list-style-type: none"> • Testing of staff or pupils – if school has home testing kits - give to any symptomatic staff or pupil when they are sent home. If not, ensure the staff/parents/pupils know the process to get tested. 	y	Symptoms checker and testing details shared with all staff and parents	9
				<ul style="list-style-type: none"> • Ensure that pupils, staff and other adults do not come into the school if they have coronavirus (COVID-19) symptoms, or have tested positive in the last 7 days, and ensuring anyone developing those symptoms during the school day is sent home 	y	Reinforced weekly in newsletters	
				<ul style="list-style-type: none"> • Make arrangements to isolate anyone with symptoms and have clear guidance and protocols 	y		
				<ul style="list-style-type: none"> • PPE on hand. 	y		
				<ul style="list-style-type: none"> • Active engagement with NHS Test and Trace 	y		
22. Risk of the virus spreading via surfaces in the school unless there is regular cleaning	4	3	12	<ul style="list-style-type: none"> • Consideration should be given regarding the continued use of items that are frequently used by multiple children that are not essential and difficult to keep clean, for example outdoor play equipment. 	y	Outdoor play equipment is limited per group Children have own stationery	9
				<ul style="list-style-type: none"> • Establish arrangements for all frequently touched surfaces and equipment e.g. door handles 	y	Lunchtime cleaning	

				<ul style="list-style-type: none"> handrails tabletops play equipment toys electronic devices (such as phones) specialist equipment, including equipment used by pupils with SEN 		(MQ) as well as daily Play equipment daily	
				<ul style="list-style-type: none"> When cleaning, use the usual products, like detergents and bleach, as these will be very effective at getting rid of the virus on surfaces. 	y	New supplies in	
				<ul style="list-style-type: none"> Limit the number of shared resources that are taken home by staff and pupils and limit the exchange of such resources. 	y	Children to bring their own equipment	
				<ul style="list-style-type: none"> Limit the number of shared resources (such as pencils, arts equipment, etc.) between pupils in the same classroom. 	y	No sharing allowed	
				<ul style="list-style-type: none"> Teachers should make sure they wash their hands and surfaces, before and after handling pupils' books 	y	Verbal feedback as the norm	
				<ul style="list-style-type: none"> Teachers should make sure they wash their hands before and after handling shared equipment (such as printers, touch screen computer etc.). Alternatively, provide hand sanitisers at appropriate locations. 	y	Sanitiser for photocopiers	
				<ul style="list-style-type: none"> There is no need for anything other than normal personal hygiene and washing of clothes following a day in a school. Uniform that cannot be machine washed should be avoided. Ensure parent/carers are aware of this 	y		
2323. Risk of virus spreading because the school has insufficient materials and equipment	4	3	12	<ul style="list-style-type: none"> Establish clear plan to ensure the school has an ongoing supply of soap and hot water in every toilet and in classrooms 	y		9
				<ul style="list-style-type: none"> Use of hand sanitisers at appropriate locations 	y		
				<ul style="list-style-type: none"> Lidded bins in classrooms and in other key locations around the site for the disposal of tissues and any other waste, 	y		
				<ul style="list-style-type: none"> Bins to be double bagged and emptied 	y		
				<ul style="list-style-type: none"> Disposable tissues to implement the 'catch it, bin it, kill it' approach in each classroom 	y	Tissues in all classrooms	
2424. Provision and use of PPE for staff where required is not in	3	3	9	<ul style="list-style-type: none"> Government guidance on wearing PPE is understood, communicated and sufficient PPE has been procured. 	y	Needs to be monitored closely	9
				<ul style="list-style-type: none"> Those staff required to wear PPE (e.g. SEND intimate care, cleaning staff, 	y		

line with government guidelines				receiving and handling deliveries) have been instructed on how to put on and how to remove PPE carefully to reduce contamination and also how to dispose of them safely			
				<ul style="list-style-type: none"> Staff are reminded that the wearing of gloves is not a substitute for good handwashing 	y		
2525. Pupils forget to wash their hands regularly and frequently	4	3	12	<ul style="list-style-type: none"> Staff training includes the need to remind pupils of the need to wash their hands regularly and frequently. Posters reinforce the need to wash hands regularly and frequently. Pupils regularly reminded about this in class. School leaders monitor the extent to which handwashing is taking place on a regular and frequent basis. 	y	Establish good routines from the start	9
2626. Pupils' behaviour on return to school does not comply with reduction of contacts and maximising distance guidance	3	3	9	<ul style="list-style-type: none"> Clear messaging to pupils on the importance and reasons for reducing contacts and maximising distance is reinforced throughout the school day by staff and through posters and floor markings. For young children this is done through age-appropriate methods such as stories and games. For pupils with SEN, including those with Autism, use appropriate methods such as pictures/PECS and modelling. Staff model reducing contacts and maximising distance consistently. The movement of pupils around the school is minimised. Large gatherings are avoided inc. assemblies Break times and lunch times are structured to support the reduction of contacts and maximising distance and are closely supervised The school's behaviour policy has been revised and sets out clearly the consequences for poor behaviour and deliberately breaking the rules and how the school will enforce those rules including any sanctions. This is particularly the case when considering restrictions on movement within school and new hygiene rules. Senior leaders monitor areas where there are breaches of reduction of contacts and maximising distance measures and arrangements are 	y	Information sent home before school reopens Behaviour policy amended	9

3838. Existing policies on safeguarding, health and safety, fire	3	2	6	<ul style="list-style-type: none"> All relevant policies have been revised to take account of government guidance on the system of controls: protective measures regarding COVID-19 and its implications for the school. 	y	And monitored regularly	6
				<ul style="list-style-type: none"> The school has carried out a full Health and Safety Risk Assessment to 	y	Along with LBB	

evacuation, medical, behaviour, attendance and other policies are no longer fit for purpose in the current circumstances				<p>ensure it is Covid-19 secure.</p> <ul style="list-style-type: none"> Staff, pupils, parents and governors have been briefed accordingly. 	y	<p>guidance</p> <p>All RAs shared</p>	
39. Curriculum/ Learning Environment	3	3	9	<ul style="list-style-type: none"> Consider what activity is more difficult/ not possible to be undertaken with reduction of contacts and maximising distance social distancing in place. Each activity should be risk assessed and should not be run unless the risks can be mitigated. School will ensure activities such as PE, music and practical lessons are carried out safely in line with guidance e.g.: <ul style="list-style-type: none"> in PE pupils will be kept in consistent groups, sports equipment thoroughly cleaned between each use by different individual groups, and contact sports avoided. Outdoor sports will be prioritised where possible, and large indoor spaces used where it is not, maximising distancing between pupils and paying scrupulous attention to cleaning and hygiene. <p>In music lessons physical distancing and playing outside will be done wherever possible, limiting group sizes to no more than 30, positioning pupils back-to-back or side-to-side, avoiding sharing of instruments, and ensuring good ventilation. Singing, wind and brass playing will not take place in larger groups such as school choirs and ensembles, or school assemblies</p>	y	Staff briefed as to what is suitable	8
				<ul style="list-style-type: none"> Ensure all staff are trained and supported in front of classroom delivery style (where appropriate) and aware of how best to provide students with additional support. 			
4040. Key stakeholders are not fully informed about changes to policies and procedures due to COVID-19, resulting in risks to health	4	2	8	<ul style="list-style-type: none"> Communications strategies for the following groups are in place: <ul style="list-style-type: none"> Staff (inc. staff at breakfast club and after school activities) Pupils Parents Governors/Trustees Local authority Health services Regional Schools Commissioner Professional associations Other partners 	y	All informed	8

				<ul style="list-style-type: none"> ○ Neighbouring schools/EY settings ○ Highways department 			
				<ul style="list-style-type: none"> ● Parents are communicated with to make sure they know: <ul style="list-style-type: none"> ○ whether their child will be able to attend from 2nd Sept ○ what protective steps you're taking to make the school a low-risk place for their child ○ what you need them to do (such as on drop off and collection) ● For pupils with SEN, consideration should be given to the use of the individual Re-Integration Plan 	y	ongoing	
41. Pupils who are unable to attend school because they are complying with clinical and/or public health advice are not receiving access to remote education	4	2	8	<ul style="list-style-type: none"> ● School is aware of current guidelines for shielding 	y	Remote work will be provided for those who cannot attend school	6
				<ul style="list-style-type: none"> ● Parents have been provided with clear guidance about acceptable reasons for non-attendance and this is reinforced on a regular basis. 	y		
				<ul style="list-style-type: none"> ● Parents have been asked to make the school aware of pupils' health conditions and the school has sought to ensure that the appropriate guidance has been acted upon. 	y		
				<ul style="list-style-type: none"> ● The school, and parents are clear about the definitions and associated mitigating strategies relation to people who are classed as clinically vulnerable and clinically extremely vulnerable. 	y		
				<ul style="list-style-type: none"> ● Schools have a regularly updated register of pupils with underlying health conditions. 	y		
	2	3	6	<ul style="list-style-type: none"> ● Staff are available to ensure pupils at home continue to be provided with remote education 			
4242. Pupils' mental health has been adversely affected during the period that the school has been closed and by the COVID-19 crisis	2	3	6	<ul style="list-style-type: none"> ● There are sufficient numbers of trained staff available to support pupils with mental health issues. 	y	training during lock down on mental health	6
				<ul style="list-style-type: none"> ● There is access to designated staff for all pupils who wish to talk to someone about wellbeing/mental health. 	y		
				<ul style="list-style-type: none"> ● Wellbeing/mental health is discussed regularly in PSHE/virtual assemblies/pupil briefings (stories/toy characters are used for younger 	y	Part of RSE programme	

in general				pupils to help talk about feelings).		Work done by PSHE coordinator	
				<ul style="list-style-type: none"> Resources/websites to support the mental health of pupils are provided. 	y		
4343. The mental health of staff has been adversely affected during the period that the school has been closed and by the COVID-19 crisis in general	3	3	9	<ul style="list-style-type: none"> Staff are encouraged to focus on their wellbeing. Line managers are proactive in discussing wellbeing with the staff that they manage, including their workload. Staff briefings and training have included content on wellbeing Staff briefings/training on wellbeing are provided. Staff have been signposted to useful websites and resources. 	y		8
4444. Lack of governor oversight during the COVID-19 crisis leads to the school failing to meet statutory requirements.	2	2	4	<ul style="list-style-type: none"> The governing body continues to meet regularly via online platforms. The governing body agendas are structured to ensure all statutory requirements are discussed and school leaders are held to account for their implementation. The headteacher's report to governors includes content and updates on how the school is continuing to meet its statutory obligations in addition to covering the school's response to COVID-19. Regular dialogue with the Chair of Governors and those governors with designated responsibilities is in place. Minutes of governing body meetings are reviewed to ensure that they accurately record governors' oversight and holding leaders to account for areas of statutory responsibility. 	y		4
45. Test and trace42trace42 is not used effectively to help manage staffing levels and support staff wellbeing	3	3	9	<ul style="list-style-type: none"> Guidance on test and trace has been published. The guidance has been explained to staff Post-testing and tracing support is available for staff. 	y	Shared with staff as updated	8
4646. Infection transmission within school due to staff/pupils (or members of their household)	4	3	12	<ul style="list-style-type: none"> Robust collection and monitoring of absence data, including tracking return to school dates, is in place. Procedures are in place to deal with any pupil or staff displaying symptoms at school. This includes the use of test and trace for both staff and pupils and appropriate action, in line with government guidance, should the tests prove positive or negative. 	y		12

displaying symptoms				<ul style="list-style-type: none"> Pupils, parents and staff are aware of what steps to take if they, or any member of their household, displays symptoms. This includes an understanding of the definitions and mitigating actions to take in relation to the terms clinically vulnerable and clinically extremely vulnerable should these apply 	y	Shared regularly in newsletter	
				<ul style="list-style-type: none"> A record of any COVID-19 symptoms in staff or pupils is reported to the local authority 	y		
47. Staff (inc. breakfast club and after school activities staff), pupils and parents are not aware of the school's procedures (including on self-isolation and testing) should anyone display symptoms of COVID-19	4	3	12	<ul style="list-style-type: none"> Staff, pupils and parents have received clear communications informing them of current government guidance on the actions to take should anyone display symptoms of COVID-19 and how this will be implemented in the school. 	y		9
				<ul style="list-style-type: none"> This guidance has been explained to staff and pupils as part of the induction process. 	y		
				<ul style="list-style-type: none"> Any updates or changes to this guidance are communicated in a timely and effective way to all stakeholders. 	y		
4848. Staff, pupils and parents are not aware of the school's procedures should there be a confirmed case of COVID-19 in the school including test and trace	4	3	12	<ul style="list-style-type: none"> Staff, pupils and parents have received clear communications informing them of current government guidance on confirmed cases of COVID-19 and how this will be implemented in the school. 	y		9
				<ul style="list-style-type: none"> This guidance has been explained to staff and pupils as part of the induction process. 	y		
				<ul style="list-style-type: none"> Any updates or changes to this guidance are communicated in a timely and effective way to all stakeholders. 	y		
4949. Staff, parents and carers are not aware of recommendations on transport to and from school	4	2	8	<ul style="list-style-type: none"> Reduce any unnecessary travel on buses or public transport where possible (for example, by walking or cycling to school) and avoiding peak times. (See Risks 11 and 12). Pupils, parents and staff travelling on public transport to wear face covering and to remove these safely when coming into school, following school procedures 	y		6
